ACCESS**

LIVE SURGERY BROADCAST

Our 10-month programme of leading hip preservation masterclasses and seminars including our virtual 2020 Annual Scientific Meeting

Live Surgery – Skills Training and Expert Techniques using Augmented Reality

Peri-Acetabular Osteotomy

Date & Time
Friday, April 23, 2021

Length
Approx 135 minutes

Moderators
Frederic Laude, MD, FRA | Claudio Mella, MD, CHL

Surgeon
Jit Balakumar, MD, AUS

Join us for this open access Live Surgery online augmented reality Masterclass with international experts in collaboration with our technology partner Proximie.

Be part of the discussion and view the latest techniques being carried out by Dr Jit Balakumar of Melbourne Orthopaedic Group, Australia, with moderation and mentorship from Dr Frederic Laude, of

the Clinique du Sport, Centre d'Imagerie Diagnostique et Interventionnelle Paris V, France, and Dr Claudio Mella of the Clinica Alemana de Santiago, Chile.

Dr Balakumar will perform a peri-acetabular osteotomy.

Join Dr Balakumar in the OR and have the opportunity to discuss his methods live.
