Live Surgery – Skills Training and Expert Techniques using Augmented Reality

Psoas Tenotomy on THA (Endoscopic extra capsular technique at the level of the psoas Notch)

Date & Time

Tuesday, April 6, 2021

Length

75 - minutes

Moderators

Etienne Belzile, MD CAN | Parminder Singh, MD, AUS

Surgeon

Nicolas Bonin, MD, FRA

Join us for this open access Live Surgery online augmented reality Masterclass with international experts in collaboration with our technology partner Proximie.

Be part of the discussion and view the latest techniques being carried out by Dr Nicolas Bonin of the Lyon Ortho Clinic, Lyon, France, with moderation and mentorship from Dr Etienne Belzile, of the CHU de Quebec-University Laval, Hopital de l'Enfant-Jesus, Quebec City,

Canada and Dr Parminder Singh of the Maroondah Hospital, Monash University, Melbourne, Australia.

Dr Nicolas BONIN of the Lyon Ortho Clinic Hip Unit, in the OR rooms as he carries out a **Psoas endoscopic tenotomy on THA at the level of the psoas notch**. Dr Nicolas Bonin has performed over 100 psoas tenotomies for cup-psoas impingement in Total hip arthroplasty in recent years and published the results.
