ACCESS**

LIVE SURGERY BROADCAST

Our 10-month programme of leading hip preservation masterclasses and seminars including our virtual 2020 Annual Scientific Meeting

Live Surgery – Skills Training and Expert Techniques using Augmented Reality

Labral Reconstruction / Augmentation using the Knotless Pull-Through Technique

Co-sponsored by

Date & Time

Tuesday, March 2, 2021

Length

120-150 minutes

Moderators

Brian Giordano, MD USA | Victor Ortiz, MD USA

Surgeon

Benjamin Domb, MD USA

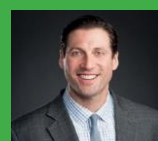

Join us for this open access Live Surgery online augmented reality Masterclass with international experts in collaboration with our industry partner Arthrex.

Be part of the discussion and view the latest techniques being carried out by Dr Benjamin Domb of the American Hip Institute, Illinois, USA, with moderation and mentorship from Dr Brian Giordano of

the University of Rochester Medical Center, New York, USA and Dr Victor Ortiz of the Kayal Orthopaedics, New Jersey, USA.

Dr Domb will perform a Labral Reconstruction / Augmentation using the Knotless Pull-Through Technique.

Join Dr Domb in the OR and have the opportunity to discuss his methods live.
