## talking hip preservation

**Date & Time**  
Saturday, February 6, 2021

**Length**  
10:00 - 11:30 EST New York 16:00 - 17:30 CET Paris

**Moderator**  
Dr Shane Nho

Please join your friends and colleagues for an engaging conversation around various topics of Hip Preservation. These discussions will cover:

- A comprehensive approach to micro/macro instability and patient selection
- Modern modalities of patient positioning with post-less technology
- Streamline clinical decision making with advanced pre-operative and inter-operative technology
- Cutting edge capsule & labral management techniques

### Faculty

Shane Nho, MD  
Michael Muldoon, MD  
Michael Banffy, MD  
James Genuario, MD  
Andrea Spiker, MD  
Thomas Wuerz, MD  
Stephen Aoki, MD  
Michael Ellman, MD  
Andrew Wolff, MD
